

Ball Carts

Model BC

Model BBC

- Heavy-duty ball carts designed for ease-of-use and durability
- Both carts are only 33.5" at the widest point to allow passage through garden gates
- 66" tall; pecan powder coat finish
- 16" 4-ply ribbed tires will handle up to 1,200 lbs and protect grass while moving trees
- Auxiliary handles allow two people to move a tree from the side and not get "caught" in the foliage

Hi-Leverage Ball Carts

Model HLBC

Model HLBBC

- Carts are 72" tall to provide an expanded fulcrum that allows the user to move larger plant material
- The wide handle can be used by one or two people when moving heavier plants

Model	Description	Wt lbs	Catalog Number	Price
BC	Ball Cart	76	25-1153-1	\$ 320.00
BBC	Ball & Basket Cart	77	25-1154-1	330.00

HLBBC	Hi-Leverage Ball & Basket	80	25-1161-1	330.00

Truck Ship Only

Mega-Plant Mover

Model MPM

- Designed specifically for moving large containerized plant material in malls, restaurants, greenhouses, nurseries, garden centers, amusement parks, and interiorscapes
- Width is 30.5" to allow for moving plants through most doors
- Facilitates the moving of round or square planters whether they're large or small; the optional adjustable straps are designed to clip onto the brackets welded to the upright frame and quickly adjust to hold the plant container during moving
- The 60" framework and large steel base plate provides a fulcrum to allow even the heaviest of containers to be moved

Specifications:

- Primary wheels: fixed 16" pneumatic 4-ply tires
- Secondary wheels: 10" swivel
- Base plate: 24" long x 14" wide
- Wheel width: 30.5" outside to outside
- Handles have large heavy duty grips
- Secondary side handles
- Weight: 105 lbs
- Total height: 60"
- Powder coat pecan finish
