Versa Sprayers™ 50 - 100 Gallon

Hummert Manufacturing

V550-HG

V100-SE

The four-wheeled Hummert Versa Sprayers are perfect for spraying indoors and outdoors.

The Versa 50 and 100 roll easily on wide 16" pneumatic tires. The pull tongue has a T-handle for moving it by hand and tabs for a pin to go through for towing. Both the 50 and 100 gallon models feature a sump tank for better chemical usage and easier cleaning. A hose reel with 150' of 3/8" Blue Ribbon hose and a GES-505 spray gun are included.

The Quick Mix agitator is beneficial for dissolving your chemicals quickly and evenly in water. Simply pull out the red lever, start the pump, and add your chemicals to the water in the tank. The agitator uses all of the volume and pressure from the pump and multiplies it to create an intense mixing action. Once you are ready to spray, the agitator continues operating, increasing agitation, keeping chemicals in suspension.

We offer a variety of replacement tips for the GES-505 gun. Additional "Blue Ribbon" spray hose can be added to the hose reel.

**CUSTOM SIZES
AVAILABLE!**

Capacity	Model	GPM/Power	Wt/lbs	Catalog	Price
50 Gallon	VS50-HG	5.5/Gas	294	06-2511-1	\$2,820.00
	VS50-SE	2.5/120v AC	279	06-2513-1	2,150.00
