Hummert's Versa Sprayers

The four-wheeled **Hummert Versa Sprayers** are perfect for spraying indoors and outdoors. The **Versa 50** and **100** roll easily on wide 16" pneumatic tires. The pull tongue has a T-handle for moving it by hand and tabs for a pin to go through for towing. Both the 50 & 100 gallon models feature a sump tank for better chemical usage and easier cleaning. A hose reel is included with 150' of 3/8" Blue Ribbon hose.

The **Quick Mix agitator** is beneficial for your chemicals getting quickly and evenly dissolved in water. Simply pull out the red lever, start the pump, and add your chemicals to the water in the tank. The agitator uses all of the volume and pressure from the pump and multiplies it to create an intense mixing action. Once you are ready to spray the agitator continues operating, for increased agitation keeping chemicals in suspension.

We offer a variety of replacement tips for the GES-505 gun, it is compatible with the JD9. Additional "Blue Ribbon" spray hose can be added to the hose reel.

CUSTOM SIZES AVAILABLE!

| | Model | GPM/Power | Wt/lbs | Catalog | Price |
|-------------|--------------------------------------|-------------|--------|-----------|-------------|
| 50 Gallon | VS50-HG | 5.5/Gas | 294 | 06-2511-1 | \$ 2,820.00 |
