Clear Vinyl Saucers

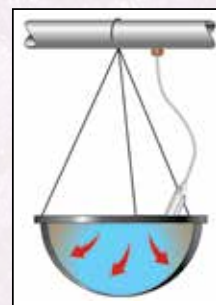

- Made of clear polyethylene
- Waterproof and strong
- Raised-ridge design for better drainage
- Nest solid, requiring less storage space
- Saucers available in diameters of 4" to 21"
- Economical enough to use with every plant sale for customer satisfaction

SlimLine EZClose

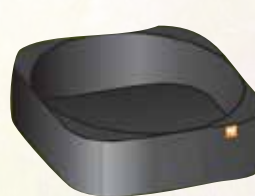

Pressure Compensating Dripper

- Drip irrigation provides even watering within the root zone
- Resists clogging; can be shut off if necessary
- Different length tubes still deliver uniform water
- Easy to install on 16 mm or 3/4" Netafim polyethylene pipe
- Perfect for hanging baskets and greenhouse bench drip systems

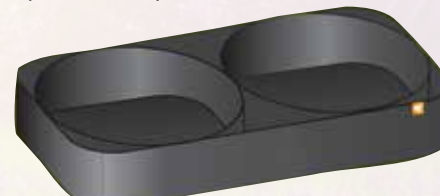

E-Z Gro Gardens

- E-Z Gro Gardens are a fold out raised bed and are the easiest and quickest to set up; just add Dyna-Mix (or any quality media) and they are ready to be planted
- EZ-Gro Gardens are constructed of specially engineered and proprietary AeroFlow fabric which is a highly durable, UV resistant, nonwoven fabric that provides exceptional air flow throughout the soil and root systems, and also allows excess moisture to easily drain away
