

Hummert's Heavy Duty Bench

- Our heavy duty benches bolt together to make a strong foundation for large planters, ceramic pots, or Dyna-Green™ fertilizer
- Once bolted together they can be moved without complete disassembly
- The stainless steel assembly hardware allows for teardown and reassembly anytime
- The plastic bench tops are supported every 12" for heavy duty use
- The frame is constructed from 12 gauge galvanized metal

Nova & Super Nova 6-Zone and 12-Zone Misting Controllers

- **Easy to Install and Operate:** Complete wiring diagram with instructions for installation and operation are included with each controller
- **Small and Compact:** The NOVA measures 9.25" x 6.25" x 1.125" and the SUPER NOVA measures 9.875" x 8.375" x 1.25"

Model	Catalog Number	Price
Nova - 1626ET	18-4994-1	\$ 680.00
Super Nova - 12B	18-5001-1	950.00
