

Flo-Master[®]

Motorized Aluminum Wall Shutters

- Corrosion resistant heavy gauge aluminum frame
- Precision counter balanced aluminum blades open easier, wider to permit higher fan capacity
- Nylon bearings throughout are corrosion proof to help prevent sticking. Suitable for dusty or humid applications
- Stainless steel hinge pins will not rust, insure easy positive blade action
- All shutter blades are reinforced with polished galvanized steel rods, and equipped with double tie-rods
- Automatic - Used with exhaust fans; opens automatically when fan is on, closes automatically when fan is off
- Keeps out wind, rain and back-drafts when fan is not in operation
- New cam pulley operator provides long life to motor-corrosion resistance
- Motor draws only 17 watts
- WAAC models are center pivoted to open easier against house static pressures
- Motors are available in 24v, 115v, 230v, 460v (specify voltage required)

Motorized Inlet Shutters, 115V

Shutter Model No	Wt	Dimensions		Sq Ft Opening	Catalog Number
		Overall	Opening
