

# Hummert Expo Mobile App

Available in your device's App Store

The first time you log in you will need a pass code, which is AUG20STC.

## Chatting with Vendors

- Press Chat button. The first time you enter you will be prompted to enter your name and store number.
- Select a vendor with a green dot by it. Green means the vendor is online.
- Begin texting. To initiate a Video Chat, click on the camera icon. A new window opens and the vendor will receive a link to join the same video chat room.

## Push Notifications
